SUBJECT: Request to Speak

STAT

1. I request permission to give an oral presentation on China's economic reforms and foreign trade at a private conference that has been organized to discuss the broad issue of China's economic reforms. The presentation would be made on 6 November 1985 in the context of a small roundtable meeting consisting of US businessmen and academics. I have addressed conferences of this sort in years past and have encountered no publicity problems.

3. None of the material to be used in the presentation is classified. No press personnel will be invited.

4. I am not under cover. I will be identified as an Agency employee but will make the standard disclaimer indicating that the views expressed are my own and not necessarily those of the Agency or the US government.
